# The GVH Social tariff

The GVH offers in cooperation with the Hannover Region the low Social tariff. Entitled persons who travel regularly by bus and rail can use the Monthly pass S. You can choose the first day of validity. The pass is valid for one month. If you travel by bus and rail occasionally – but not every day – you can use the Day ticket S of the GVH Social tariff. Here's how it works: All persons in possession of a Region S pass are eligible for the GVH Social tariff. If you haven't received such a pass automatically or you lost it, please contact the social welfare offices of the cities and municipalities or the Jobcenter Region Hannover. This also applies if you receive benefits later.

## You are entitled to a Region S pass,

### if you live in the Hanover region and ...

- ▶ receive ongoing benefits in accordance with the Social Security Code SGB XII,
- ▶ receive ongoing unemployment benefit II or income support pursuant to SGB II,
- ▶ receive ongoing basic benefits and special benefits according to the Asylum Seekers' Benefits Law (AsylbLG),
- ▶ receive ongoing supplementary subsistence allowance and 'help for care' according to the Federal Law on war pensions (BVG),
- ▶ you live as a child in a community of need, which does not receive job centre benefits due to the children housing benefits,
- ▶ you live as pensioner in a community of need, which does not receive job centre benefits due to retirement income.

If you have any queries, please contact your social welfare office (*Sozialamt*) or job centre.

# The Day ticket S

If you travel by bus and rail occasionally, you can use the **Day ticket S**.

With the Region S pass serving as proof of entitlement, you can purchase a **Day ticket S** for one, two or three zone/s. This ticket is valid for the whole day until 5 a.m. of the following day.

## Good to know:

Children under the age of 6 travel for free when accompanied with all buses and rails within the GVH. The **Day ticket S** for children applies to children from 6 to and including 14, within the entire tariff area (zones ABC). The GVH Social tariff is valid only in connection with the Region S pass and an official identity document.

# The Monthly pass S

If you travel by bus or rail more often, you can use the **Monthly pass S**. It is valid for one month within your chosen scope. This pass is not transferable. Therefore, please write your first name and family name on the pass.

## Good to know:

For the **Monthly pass S**, you need a Region S pass and an official identity document as authorisation. The Monthly Pass S entitles the holder to travel with one further adult and up to three children under the age of 18. It can be used Monday to Friday from 7 p.m. until 5 a.m. and all day long on weekends and public holidays. Monthly Pass S is only valid if all co-travellers are Region S pass holders and have it with them. If you like to continue the journey: You can expand your **Monthly pass S** with a **Day ticket S** for one zone (A or B or C) for the entire GVH tariff area (zones ABC).
